Special Formula Ordering During the Holiday Season

Please be aware that during the holidays formula orders may take longer to order and arrive. Please send your regular orders earlier if this is a concern, or work with state staff on expediting shipments for new prescriptions.

Survey for Local WIC Agencies

Many of you will soon be emailed a survey from the State WIC Office inquiring about your working relationships with state staff. We want to know if we are providing the training you need, if we are communicating effectively, and if we are giving you the support you need to succeed in your job. The survey is anonymous and takes about 5 minutes to complete. If you see this survey in your email please take the time to provide us with your valuable feedback.

Happy Thanksgiving

All of us here at the State WIC Office wish you and your family a happy Thanksgiving holiday. The State Office will be closed on Thursday of this week, and limited staff will be available on Friday to provide any assistance necessary. Thank you for all of the work you do and Happy Holidays!
